

A SILLY STORY

If Bob finishes his job, he will go to dinner.

If Bob goes to dinner, he will eat a starter, a main course and a dessert.

If Bob eats three courses, he will be full.

If Bob is full, he will be happy.

If Bob is happy, he will drink a glass of wine.

If Bob drinks a glass of wine, he won't drive.

If Bob doesn't drive, he won't have an accident.

If Bob doesn't have an accident, he won't be injured.

If Bob isn't injured, he will be able to go to work.

If Bob goes to work, he will make money.

If Bob makes money, he will go to dinner again.
