

GOING ABROAD

I'm going to spend a month in Australia. I think it'll be really interesting. Maybe I'll feel homesick. I'll probably miss my family and my friends. I'll enjoy swimming and diving in the ocean. I'll see beautiful fishes. I'll probably like the food, because I want to experience new food. I'll go to some National parks, because I want to see kangaroos, koalas and parrots. I'll see waterfalls too in the National park. I really don't want to see snakes, because I am afraid of them very much. I hope I'll see whales, when I'm on a ferry. I'll visit the opera house in Sydney. I'll take a selfie with a koala. I might go on a trip by ship. If I go on a trip by ship, I'll visit an island and I'll sunbathe on the beach. I think it'll be amazing!
