

SHOPPING CENTRES IN LJUBLJANA

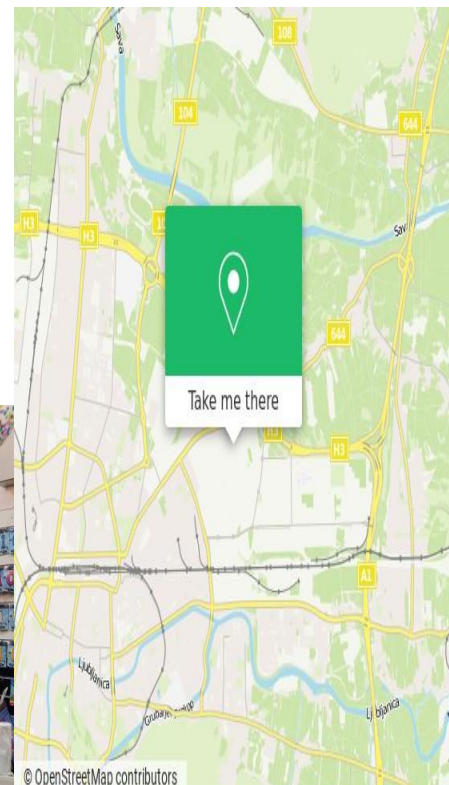

City Park is one of the biggest department stores in Slovenia. Many people shop in it every day. You can buy nearly everything there. It has got cafes, restaurants, hairdressers and things like that. There are shops with clothes and also shops with food. This shopping center is in Šmartinska road 152g in Ljubljana.

Welcome to Ljubljana. Today we will discover something about shopping centers in Ljubljana. Ljubljana has many shopping centers and today I will show you some of the most important centres. I hope I will help you. Enjoy.

Supernova is a big department store in Rudnik. Its location is Jurčkova road 223 in Ljubljana. You can buy lots of things there. And I will be honest with you – this is my favourite store. It is not that far from Horjul and I can find there everything I need. Toys, clothes, food, hair products and so on.

To je to is a beautiful shop. But is not an every day shop. This is a circus shop. If you would like to learn how to juggle and do circus stuff... this is the shop for you. I am not going to lie, this is one of my favourite shops too. Gallus embankment 29 in Ljubljana.
