

My silly story

If Bob drinks a lot of beer, he will be drunk.

If Bob is drunk, he won't go home.

If Bob doesn't go home, he will sleep in the bar.

If he sleeps in the bar, his wife will be angry.

If his wife is angry, she will hit him with a roller.

If she hits him with a roller, he will get a bruise.

If Bob gets a bruise, he will go to the doctor.
