

# GUIDEBOOK FOR LJUBLJANA

LJUBLJANA IS A GREAT PLACE TO VISIT. THESE ARE SOME OF MY FAVORITE PLACES

There are many parks in Ljubljana for example if you are an athlete, the best place for you to visit is Park Tivoli and it's good to relax or just hang out with your friends.

If you like history, the best place for you to visit is Ljubljana's castle. The castle has been there for already 900 years and they offer the most beautiful view of the city

There are some places for shopping. You have Supernova, city park and the main marketplace. They sell homegrown products there.

NUK or the National and University Library is the biggest library in Slovenia and has got all books, fairytales, encyclopedias...

On Čopova street, there is the monument of France Prešeren and Julija Primic.
